Fanny Durack Comes To Hawaii Next Year

World's Fastest Mermaid Will Make Trip to Honolulu and San Francisco Accompanied By Mina Wylie, Fastest Breast Swimmer—Olga Dorfner Wants to Come to Honolulu—Meeting of Neptune's Daughters Should Be Carnival Event

Miss Fanny Durack of Sydney, Australia, champion woman swimmer of the world, will come to Hawaii early next year. She will be accompanied by Miss Mina Wylie, also of Sydney, who holds all the records for women in the breast stroke. Miss Olga Dorfner, champion woman swimmer of America, has been asked to come here next year, and may meet the world's champion in Honolulu.

As a result of the suggestion made in the Star-Bulletin some weeks ago, the first plan of staging a mermaid meet during the Carnival is well under way. At that time it was suggested that Fanny Durack of Sydney, Olga Dorfner of Philadelphia, Claire Galligan of New Rochelle, Frances Cowell of San Francisco, Dorothy Burns of Los Angeles, Ethel Day of San Francisco and the Honolulu girls, Bernice Lane, Lucile Legros, Helen Ross and Carry Lane, and other local swimmers be asked to meet in a world's feminine olympiad, which would be the greatest event of its kind ever held in the world.

Attract Tourists. This meeting of the mermaids from the farthest shore of the Pacific to the Atlantic would give Hawaii one of the big publicity features of the year. Aside from increasing the interest in swimming here it would be an attraction that would surely draw tourists from the mainland and naturally could be featured as one of the world's greatest events.

The recent trip of Olga Dorfner and Claire Galligan to the Pacific coast brought much publicity to that section and the trip of the mermaids across the continent was hailed with delight by those interested in swimming. As an attraction the meet in which Bernice Lane was the Honolulu representative was the best ever held in California, and attracted more people than any other swimming event ever staged there.

California Wants Them, Too. This in itself is proof that the public is interested in the work of the feminine athletes. Already San Francisco is making an effort to secure the swimmers and following the suggestion from Honolulu William Umack, one of the well-known sporting authorities on the coast, has already announced that San Francisco will be willing to stage a meet with Fanny Durack as the feature.

Mrs. Mary Chambers, secretary of the Australia Ladies' Swimming Association, has written that two feminine stars of Australia will be able to make the trip to America. Mrs. Hugh McIntosh of Sydney, wife of the theatrical manager, is interested in swimming, and has announced that she will accompany the girls to Hawaii. From Honolulu the stars will go to San Francisco and may make a trip to the eastern section.

The visit of Fanny Durack and Mina Wylie should be a big boost to swimming here, and the Carnival Committee could do worse than stage this event as the first feature of the Carnival. It would bring together the world's greatest stars, and there is little question but that the meeting would be a big financial success.

Will Stage Meet. Local swimming enthusiasts have become interested in the plan outlined in the Star-Bulletin, and in case the Carnival does not stage the big mermaid contest, featuring the Daughters of Neptune, then it is thought that local enthusiasts will invite the swimmers here for a meeting some time around Carnival time.

With the San Francisco people anxious to join with Hawaii, the expense would not be so great, and Honolulu could well afford to invite not only Olga Dorfner and Claire Galligan but the Pacific coast swimmers. When Bernice Lane was in San Francisco Olga Dorfner stated that she would be pleased to come to Honolulu, and while Miss Lane to see if she could not do something toward arranging a meet here.

Fanny Durack will come to Honolulu in early next year, and will meet the local swimmers. It is a question as to how long she will remain here, but if action is taken immediately the swimming enthusiasts will have an opportunity to work for a meet which

would be the biggest boost ever given in feminine swimming.

Many Favor Plan. About three weeks ago the Star-Bulletin discussed the plan with one of the Carnival directors, who approved of the meet, and some action is expected in the near future. Lorrin Andrews, John Soper, William Rawlins and Jack Phillips of the A. U. Albert P. Taylor, secretary of the Hawaii Promotion Committee; Glenn Jackson and Clair Tait of the Y. M. C. A., Alexander Hume Ford of the Pan-Pacific Club, L. de Vis-Norton of the Hawaii Publicity Commission, J. Philard Leo, Charles Stillman and others interested in swimming have endorsed the movement, and should the carnival move to make the feature of the meet a contest between Neptune's daughters, then all interested in swimming will surely do all that is possible to support the plan.

Miss Durack holds every world's record in free-style swimming from 50 yards to a mile. She is a marvelously consistent swimmer and since first coming into prominence at the Olympic games in Stockholm in 1912 has been steadily on the improve.

Last month she lowered three of her world's records by swimming the 220 yards in 2:53, the 440 in 6:03.5, and the 150 in less than 1:54.15, her former mark.

Miss Wylie's Records. In the same meet Miss Wylie broke her world's record for the 100-yard breast stroke, making the distance in 1:28. Miss Wylie holds the world's records for the 50, 100, 150, 200 and 220 yards breast stroke events. She is also a good performer in free-style competition.

Both prospective visitors to America are young, being in the neighborhood of 22 years of age. Miss Olga Dorfner of Philadelphia, who recently won the American 100-yard championship at San Francisco, made an American record in 1:08.45; Miss Durack's best time is 1:06. Considerable interest would be aroused by a race in which this pair would compete.

LILLIANS WIN FROM PAWAA TEAM, 6 TO 2

The Lillians, a newly organized junior baseball team, defeated the Pawaa team on Sunday at the Makiki ball yard by a score of 6 to 2. Up to the third inning both teams had not scored any runs, but in the next inning the four Lillians crossed the home plate. One in the sixth and the other in the eighth inning gave their two runs to the Pawaa squad.

Otto Meyer occupied the mound for the victorious team, and sent 12 men to the bench and walked one. For the Pawaa, Masaichi tossed the little white pill, but his rivals were too strong with the stick for him.

Following is the lineup and summary of the two teams:

Lillians: F. Martin 1b, L. Camara c, W. Cabral ss, T. Correa cf, J. August 1f, Keenich 2b, O. Meyer p. A. Medeiros 2b, J. Rosa rf.

Pawaa: Hasoino ss, Kupoki 2b, Masaichi p, Nohu rf, Yashio 1f, Kaino 3b, Miki 1b, Tanaka cf, Fukunaga c.

Struck out by Meyer 12, by Masai 8. Base on balls, off Meyer 1, off Masaichi 1. Hits, off Meyer 5, off Masaichi 8.

Spain in 1915 imported 1,200,000 tons of coal.

Will Meet Fanny Durack

Olga Dorfner, America's fastest mermaid, who wants to come to Honolulu to meet Fanny Durack, the champion of the world. Miss Dorfner recently made a new American record in the 100 yard swim, and those who have watched her work believe that she will be the next world's champion. Fanny Durack will come here early next year, and it is hoped that the Philadelphia woman champion will be an entry in a big swimming meet during the Carnival.

Company A Wins Cup And 25th Championship

With Jasper Pitching A Team Wins Regimental Title in Hard Battle By Score of 6 to 5—Cullens and Goliah Knock Homers—More Than 1000 Fans Turn Out to Watch Great Battle—Goliah's Homer Comes in Ninth and Breaks Melee

(Special Star-Bulletin Correspondence) SCHOFIELD BARRACKS, Aug. 14.—The regimental championship in the 25th Infantry has been settled for this year and Company A will again be presented with the cup for possessing the best ball team in the regiment.

In a game that was full of thrills from start to finish its team beat that of E Company, 6 to 5. This was the second successive victory over E in the three-game series to determine the championship and therefore decides that event.

Thousands Fans. Fully 1000 fans were present to see the struggle. The crowd was made up of nearly all of the 25th Infantry, a large representation from the other regiments and all of the regimental officers, from the colonel to the goat first lieutenant. The partisans of each team made Rome howl. The E Company rooters lined the left field side and the A Company adherents were along the right side of the field.

Each crowd had its trumpet and drum corps as well as its band of all sorts of ear-splitting, noise-producing instruments. From the moment when the umpire put the first ball into play until the winning run was scored the rooters and the bands were trying to outdo each other in noise. It was some ball game and warmed the old fans as though they were witnessing the White Sox and the Cubs fighting for the world's championship and also that of Chicago.

Jasper Pitches. Jasper again pitched for the victors and has added another trophy to his company by his ability. He has been doing this with the utmost regularity since 1905, so that he can well be called the "Mathewson" of the 25th.

Much to the surprise of the fans, E Company sent Morgan to the mound, and except for the fourth inning, when A made six hits and four runs, he pitched very good ball.

E went to bat first and went out in one, two, three order. For A the first two men went out and then Moore was given a life by Johnnie Williams fumbling his chance. Dandridge, the next batter, got in the way of one of Morgan's benders and trotted to first base as happy as though he had received two months' pay. Goliah ended all hopes of scoring by flying to Cullens who played third. In the second inning both teams produced a safe single but could not dent the rubber. Herring led off with a hit for E, but died on third. Gilbert, the A

Company catcher, connected for a safe one with two down and then sat on first and watched Jasper strike out.

In its half of the third E scored one run when Johnnie Williams got around on wild throws by Webb and Dandridge and a safe hit by Hurt. A Company was not to be outdone in its half of the inning and Hawkins led off with a single that allowed him to score, assisted by Cullens' error.

Cullens Hits Homer.

Cullens came to bat in the fourth frame and picked out a good one, driving it over to the coral road in right field, making the circuit of the sacks. This hit made Jasper wobble and he passed Prince, the next batter. Simmons then bunted down the first base line and Jasper again bobbled, which put men on second and first. Storey sacrificed both runners a peg by rolling a slow one to Jasper, which he succeeded in handling. Morgan, the pitcher, was the next up to bat and surprised every one by hitting the first ball pitched into right field, scoring the men on second and third. Jackson ended the inning by grounding to Moore.

With the score 4 to 1 against them the Ayes came to bat determined to tie up the game. Goliah, the first up, hit for two bases. Webb went out by fouling to the catcher. George White then hit for three sacks, scoring Goliah. Gilbert put White across the pan with a pretty single. Jasper bloomed like a century plant and cracked out a two-bagger. Hawkins fled out to Jackson. Singles by Ward and Moore scored Jasper. He was also assisted by a wild pitch, otherwise it would have taken more than two singles. Dandridge ended the carnival of runs and hits by grounding to Prince at short.

With the score now 5 to 4 in favor of the 1st Battalion team, the game resumed a normal state. The batters went out in order, a hit being made occasionally to give the rooters a chance to open the exhaust.

In the first half of the ninth, Davis batted for Storey and singled. He scored on Jackson's two-base lick, tying the score. The next two batters were easy outs, leaving Jackson on second after his noble swat.

The excitement was now intense and when the first two men to face Morgan in the last half of the ninth were easy outs, the crowd expected an extra-inning game. But old war horse Goliah, after having been given

PICINICH, PIPP, PICK AND ALSO PECKINPAUGH

Picinich, the new catcher of the Athletics, is only 19 and hails from Princeton, Pa. The youngster has been doing well both at the bat and behind the bat. His entry into the American League makes possible many euphonious combinations. For instance, "Pip" lined to "Pick," and "Pick" was doubled at the plate, "Pick" and "Picinich." Many fans will want to know whether the catcher's name is pronounced with the "ick" or the "itch."

PEARL CITY TOSSERS WIN FROM WAIPAHUS

Pearl City baseball team won from the Waipahu team on Sunday at Pearl City by a score of 9 to 3. After the third inning Christiansen held the Waipahu tossers without a score. The lineups were as follows:

Pearl City—Paul Keppeler, c.; Ben Christiansen, p.; Sam Aki, 1b; Al Kuli, 2b; Joseph Waipahu, 3b; Albert Kam, ss.; Herbert Keppeler, r. f.; Edward Ho, c. f.; Kam You, l. f.

Waipahu—Frank Nobriga, c.; Manuel Camara, p.; Caesar Fernandez, 1b; Clarence Dyson, 2b; Harry Resl, 3b; Willie Aana, ss.; Manha, r. f.; Manuel Silva, c. f.; Takesawa, l. f.

The score:
Pearl City.....0 3 1 0 0 2 0 2 1—9
Waipahu.....0 1 2 0 0 0 0 0 0—3

HACKFELD & CO. TEAM WINS FROM MOULDERS

Hackfeld & Co.'s team defeated the Honolulu Iron Works on Sunday morning by a score of 11 to 10. It was anybody's game up to the ninth inning when Perry came through with a hit and then Lopez hit a hard drive to the outfield and Perry came home. Perry of the Braves sent eight men back to the bench. Spencer played a nice game at the short field position. The lineup of the winners was: Ah Fan, 1. f.; Spencer, ss.; Perry, p.; Lopes, c.; Dan, 3b; Demello, 2b; Kapano, c. f.; David, r. f.; Palikiko, 1b.

ENGLISHWOMAN CREATES DISTANCE SWIM RECORD

A record long distance swim for a woman was recently accomplished by Miss Eileen Lee in the Thames river, London. Miss Lee entered the water 200 yards below Greenwich Hospital. She swam to Isleworth, and, turning with the tide, swam back to Barnes, a total distance of 23 miles. She was in the water 7 hours and 1 second and was quite fresh when advised by her coach to reenter the boat.

A couple of wide ones, caught one that Morgan grooved and drove it out over the center fielder's head for a homer that will pass into history.

Such yelling horn blowing and cheering never before had been heard on this diamond. It even surpassed the outburst that greeted that terrific blow of Oscar Johnson's when he put Speed Martin to the last Carnival time at Athletic Park.

It was a well-earned victory for A Company and no one can contradict the statement that this company has the best balanced team in the regiment. It justly deserves the cup and the championship it has won.

Maui Athletes Defeat Honolulu Contingent

Valley Island Athletes Make Clean Sweep in Tennis, Polo, Swimming and Bowling—Oahu Tourists Enjoy Hospitality of Maui People, But Fail to Bring Home Bacon—Punene Builds New Club House—O pened With Ball

(Special Star-Bulletin Correspondence) PUNENE, Maui, Aug. 14.—Maui sportsmen really felt a little guilty in taking all the honors from their visitors at the Punene Harvest Home Festival last Saturday, but they did their best to make it up to the Honolulu boys in other ways, and apparently succeeded. The day was certainly a jolly one for the hundreds of guests and home folk who were so royally entertained by the officers and management of the Hawaiian Commercial & Sugar Company at their big annual celebration at Punene.

Beginning with the bowling, tennis and swimming tournaments at 2 o'clock and ending with the ball in the new club house in the evening the day had not a dull moment in it. But in all the sports the Honolulu men went down to a bad defeat. The tennis play was lost by a score of 122 to 111; while in bowling the Maui team won out by a plurality of 453 pins. In the afternoon the so-called Oahu polo team (which was really made up of Maui players with one exception) lost the game by a score of 7 to 2. Then in the relay swimming contest between the Punene swimmers and the visitors, the Maui boys again showed marked superiority in the tank.

Bowling Score. The Honolulu bowlers were weak through the absence of several of their best rollers, which doubtless accounts for the fact that they did not make a better showing than they did. The score by games was as follows:

Honolulu.

In the tennis play the following men took part: Honolulu—Warren and Hoogs, Haddock and Lowrey, Podmore and Cooke, Rice and Macfarlane, Pfluger and Kennedy, Cunha and Davis; Oisen and Hoogs, Castle and Nowell.

Maui—Collins and W. D. Baldwin, Resecrans and W. A. Baldwin, Rice and Burns, F. Sawyer and A. McLaren, Lougher and MacKenzie, Hansen and Taylor, Engle and Thompson, Mc-Nichol and J. McLaren.

In spite of the fact that Honolulu lost the game some splendid work was done by individuals, conspicuous of whom was Sonny Cunha, who made some very pretty and spectacular plays.

The Polo Game. The exhibition polo game played at the Keahua field at 4 o'clock was witnessed by a big crowd. The game was got up on short notice, but was an interesting one nevertheless. The Maui team was represented by F. F. Baldwin, Ed. Baldwin, D. Fleming and A. W. Collins. On the picked team, by "courtesy" called Oahu team, were Arthur Rice, Harold Rice, Sam Baldwin and C. Burns. The score was 7 to 2 in favor of the "Maui's."

Brilliant Ball. The manner in which the Punene people handled their hundreds of guests was truly delightful, and there is no one who will find fault with the universal declaration that it was the finest affair of the kind in all the long history of Punene hospitality. At noontime a sumptuous luncheon was served beneath a green lantern constructed on the grounds of the Punene Athletic Club. And in the evening it was this same flower-bedded arbor, softly lighted by colored electric lights, that screened the small tables on which the dainty refreshments were served.

The Punene Athletic Club has a new clubhouse—doubtless one of the very finest such houses in the islands—and the dance of Saturday evening was in dedication of it. The dancing floor is of maple and the ballroom, finished in oak, is beautifully attractive. Music was furnished throughout the day by the Hoffman orchestra, and was much appreciated.

HONOLULU IN SAN FRANCISCO.

A club in San Francisco which has a winning record is called the Honolulu. In a recent game Sheeran of the Honolulu club struck out 20 of the Lash's Bitter team and held the squad to two hits and no runs. This club should add as much fame to Hawaii as Faresa's crew of Lulus.

The cost of government meat inspection is said to amount to four cents per capital annually.
